Had to doctor this card up some. Want to wish you all the luck as you begin a new chapter in your book of life. I've always appreciated your hard going attitude, keep it up and you'll be okay. You've got all the necessary ingredients to be successful. So stay hungry. Stay on top of grades so you get the good education. Stay focused on life. Remember you can always feel welcome in our home - or call it I can be of any help. You never miss what you got till it's gone, well you're gone and you'll be missed! Keep faith in the Lord, he'll always be there for you.
