

# Women's Health and Disability Study

## Focus Group Participants Needed

**Researchers from the University of Michigan are reaching out to women with physical disabilities in our community to learn about their experiences and important topics related to their gynecological and reproductive health.**

- This study will involve a focus group that will last about 1 1/2 hours. During the focus group participants will share their feedback and experiences about this area of their health.
- To be eligible, you must be between 18 and 50 years old and have had a physical disability for more than 6 months. Participants will receive a \$25 gift card.
